

## Product technical sheet

# CLIMBOO 0417-1

3 - 14 years

10 kids

29,6 m²

## Material specification

- Powder galvanized and powder coated or hot-dip galvanized steel construction,
- Steel ropes in polypropylene braid, connected with durable plastic elements, stainless steel or aluminum,
- Stainless steel screws and/or screws covered with plastic caps,

Physical development

climbing

**1**

number of activity elements

## Product data

|                                |                     |
|--------------------------------|---------------------|
| Length                         | 260 cm              |
| Width                          | 260 cm              |
| Total height                   | 250 cm              |
| Age group                      | 3 - 14 years        |
| Number of users                | 10 kids             |
| Safety zone                    | 29,6 m <sup>2</sup> |
| Free fall height               | 99 cm               |
| In accordance with norm EN     | 1176-1:2017         |
| Weight of the heaviest part    | 30 kg               |
| Dimensions of the largest part | 330x10x10 cm        |
| Availability of spare parts    | YES                 |
| Installation time              | 2,5 h               |
| Color options                  |                     |

Data is subject to change without prior notice.

## Additional information

- equipment intended for public playgrounds;
- equipment has a certificate issued by an accredited entity or a declaration of conformity;
- no sharp edges or chinks that would pose a danger of jimmie the head, fingers or any other body parts;
- anchoring on flat surface, 80/100 cm deep;
- render is for reference only, the actual appearance of the equipment and its color may vary;

## Guarantee

**30**

30 year guarantee - Structural strength of steel and stainless steel components

**15**

15 year guarantee - Structural failure of steel and stainless steel, for dynamic equipment

**10**

10 year guarantee - Structural failure of high density polyethylene and high pressure laminates components

**5**

5 year guarantee - Corrosion of stainless steel and hot dip galvanized and powder coated components; against bark beetles and rot in case of wooden structural elements
