

## Product technical sheet

# FITNESS 1140

14+

< 140 kg

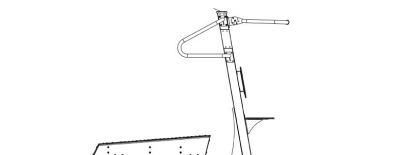

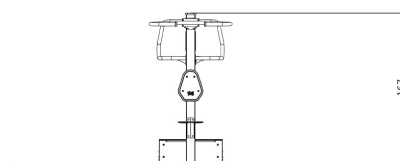

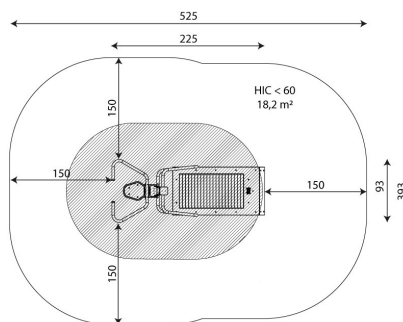

18,2 m<sup>2</sup>

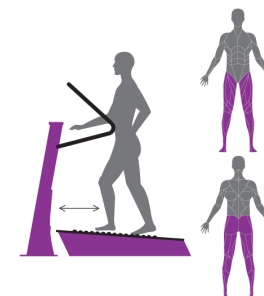

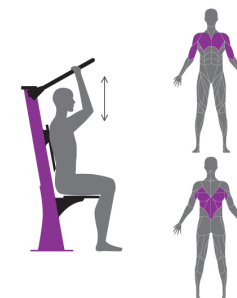

## Product data

|                                |                     |
|--------------------------------|---------------------|
| Length                         | 225 cm              |
| Width                          | 93 cm               |
| Total height                   | 167 cm              |
| Age group                      | 14+ years           |
| Maximum weight of user         | 140 kg              |
| Safety zone                    | 18,2 m <sup>2</sup> |
| Free fall height               | <60 cm              |
| Weight of the heaviest part    | 20 kg               |
| Dimensions of the largest part | 47x20x170 cm        |
| Availability of spare parts    | YES                 |
| Installation time              | 1,5 h               |
| Color options                  |                     |

## Material specification

Powder galvanized and powder-coated or stainless steel construction of 100 x 100 mm profile, durable end caps on the top of the structure made of plastic,

Polycarbonate exercise instructions information plate and phone holder made of durable HDPE plate, resistant to weather conditions,

Seats/backrests made of durable HPL plate, resistant to weather conditions,

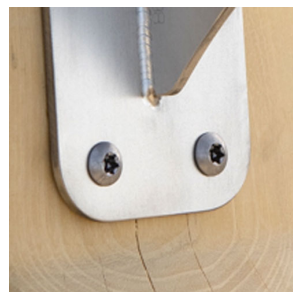

Powder galvanized and powder coated steel or stainless steel bars,

Moving elements based on bearings mechanism closed in casing, which do not require periodic greasing and maintenance, ensuring long service life of the device,

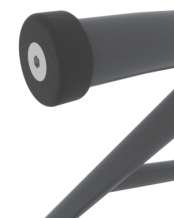

Moving elements based on a durable braking system closed in casings, which do not require greasing and maintenance, ensuring long service life of the device,

Stainless steel screws and/or screws covered with plastic caps,

Safe end caps on top of the structure made of synthetic material,

Safe end caps on the top of the bar, made of durable HDPE plate, resistant to weather conditions,

## Additional information

- equipment adapted for the disabled; device intended for public outdoor gyms;
- equipment has a certificate issued by an accredited entity or a declaration of conformity;
- no sharp edges or chinks that would pose a danger of jimmie the head, fingers or any other body parts;
- anchoring on flat surface, 80/70 cm deep;
- render is for reference only, the actual appearance of the equipment and its color may vary;

## Guarantee

- 30** 30 year guarantee - Structural strength of steel and stainless steel components
- 15** 15 year guarantee - Structural failure of steel and stainless steel, for dynamic equipment
- 10** 10 year guarantee - Structural failure of high density polyethylene and high pressure laminates components
- 5** 5 year guarantee - Corrosion of stainless steel and hot dip galvanized and powder coated components; against bark beetles and rot in case of wooden structural elements
